

PROCEDURE APPOINTMENT CANCELLATION NOTICE:

If you need to cancel and/or change your procedure appointment date, you must give 72 business hours notice to avoid a cancellation fee of \$100.00.

Most patients wait 4 to 6 weeks for their scheduled appointment for a procedure. Not providing the required notice of a cancellation prevents us from calling in those patients sooner.

If you don't show up or fail to cancel with appropriate notice, a reschedule of your procedure will not occur until the missed appointment fee is paid.
